CERTIFICATE OF UNDERTAKING

(To be given at the time of admission to Class VI / Class IX and again before promotion to Class XI)

1. The primary objective of the school and of the students is to continuously strive for an all round excellence (including academics) by making the best use of available time and resources and become eligible to join the armed forces.

2. I understand that this undertaking is intended to constantly remind me to remain committed and excel rather than do poorly and give excuses for my poor performance.

3. Sainik School is known for its special character and is very different from any other boarding school. I am well aware of the physically demanding nature of academic and training activities and strict daily routine. It will be easier for me to score good marks in some other school where I can dedicate more time to studies. Despite knowing this, I wish to join/continue in Sainik School Sambalpur and, I shall study with utmost sincerity and always try to improve my academic performance. I will not take recourse to the following excuses for performing poorly or failing in any examination.

(a) **No time for studies.** I am aware that, I will have to follow the laid down time table of the school from 0500 to 2200 hrs every day. There is sufficient time in between classes, free periods, daily evening prep, holidays etc for studies and homework. I will be able to manage time for self studies and all other activities within the existing routine of the school.

(b) **No rest in the afternoon.** Cadets are required to take rest from 1410 h till 1510 h (Tentative) unless they are on corrective drill or detailed for weak cadets classes; yet cadets despite cautioning are found going to the playground by 1500 hours; the senior cadets have time only for a short nap because they have to attend laboratory and also if they sleep for a long time in the afternoon, they tend to keep awake in the night. I am aware that lab periods, extra classes, mock tests etc will mostly be organised during non regular hours eg. afternoon, after dinner or on holidays.

(c) **Called on Holidays to Instructional Block for Self Study.** Senior Cadets (X to XII Std) should remember that the students of their age outside devote a major portion of their holidays too on studies. Therefore, cadets who aim to perform well in the UPSC NDA exam and CBSE exams, should be prepared to sacrifice at least two hours (0930 to 1130 hrs) on holidays to carry out concentrated studies at the Academic Block instead of in their own hostel where they would tend to relax in their cots or indulge in idle chitchat or simply loiter and fritter away precious time.

(d) **Not allowed to study in the night.** I shall be early to bed and early to rise which will not only help me be hale and healthy, but also enable me to wake up early for PT and keep me alert during classes.

(e) **Large Number of Mock Tests before UPSC.** I am aware that a majority of cadets never say that they are well prepared even the day before the exam. I also know that tests should be taken seriously and positively because practice will make cadets perfect. Mock tests will be conducted regularly every week. Frequency will be increased towards the end. I will therefore be prepared for any test as soon as the lesson is completed. I will not resort to the perennial excuse many children give that they are not prepared.

Signature of Parent/Guardian

Signature of Cadet

- (f) **Attendance in School Assembly is not required.** Other schools have daily assembly and participating in assemblies will build my confidence.
- (g) **CCA/ Literary Activity is not useful for UPSC.** CCA/ Literary Activities are essential part of curriculum of any school and it helps me in preparation for my SSB.
- (h) **PT, Games and Roll Calls are a waste of time.** PT and Games are necessary to remain fit and ready for SS Sambalpur; Roll Calls are necessary to check absentees, uniform etc; Roll Calls can get over quickly if the Houses assemble fast and therefore I shall not only be in time and conduct myself properly during the roll call but also impress upon my peers to do the same so that we all are not detained for more time or punished for misconduct.
- (j) **Too many corrective drill/ PT/ Imposition.** Only if I commit mistakes, I will be awarded corrective drill/PT/Imposition. It depends on the number of offences/ violation of orders by me.
- (k) **Masters not serious with the classes.** I will not resort to attributing reasons for poor performance to teachers. I will clarify my doubts about the topic as early as possible. In case I still need further guidance which is not forthcoming from teachers due to any reason, I will discuss the matter with Vice Principal/Principal to find a solution rather than waiting till the last moment or after the damage has been done.
- (l) **Study leave for UPSC not given.** In class XII I will have to study for NDA/UPSC as well as CBSE. School cannot give study holidays for UPSC exams since CBSE portions can't be neglected during my preparation for UPSC exams.
- (m) **Stress due to summoning parents/ guardian to school.** I know that it is customary for schools to call parents/ guardian to discuss poor academic performance and indiscipline. The onus is on me to display good behaviour and better performance in academics so that there is no need for my parents/ guardian to be summoned to the school. If I don't meet the academic and discipline standards of the school which are clear to me and my parents/ guardian from the beginning, then I alone am responsible for any inconvenience/ distress which might be caused to my parents/ guardian or me on account of their being summoned to the school. Neither I nor they can blame the school. Also my parents/ guardian can't absolve themselves of the responsibility of participating in the Counselling Process whenever the school initiates.
- (n) **CBSE tests before UPSC Exam.** Studying for CBSE Tests help me in the NDA & NA Exams preparation since the syllabus is not vastly different. Also if the CBSE studies (including tests) are stopped before the UPSC (NDA) Exam, it will be difficult to complete the portions by December and begin revisions thereafter. Therefore I shall pay equal attention to both CBSE and UPSC portions in the syllabi.
- (o) **Duties & Responsibilities of an Appointment.** I know that being an appointment is part of the training given to a future leader. I shall not shirk from the responsibility bestowed on me as an appointment by giving lame excuses such as "I need more time for studies", "I am not fit for the job", "Someone else is more interested and he will be better", "Seniors will pressurize me as a Junior Appointment to be harsh with the juniors which may invite drastic disciplinary action" etc. On the other hand I shall seize the opportunity for my growth, honour the trust and confidence placed in me and wholeheartedly fulfill my duties and responsibilities as an Appointment/ Senior Cadet. A senior appointment has the support of his House Master, Tutors and subordinate appointments. His duty is to guide the School, House or Group by primarily being a role model and doing the right thing (mainly keeping punctuality and the dress code and never hurting the juniors physically or emotionally). Those who aspire for success are committed

and work extremely hard to attain glory for themselves, their parents/ guardian and the school. On the other hand, those who are lazy and forever give lame excuses, fail to achieve the desired goals and begin blaming the system, curriculum, authorities (for being rigid with the rules) et al instead of holding themselves responsible for the lack of ambition and dedicated effort. I am already aware of the regimen and the rigours of the school and yet I am passionate about studying at this school. I shall wholeheartedly accept any additional task related to academics and other activities since it will contribute to my success in the exams and tests (under CCE/ AISSE/ AISSEE/ UPSC/ SSB).

4. I hereby certify that I have read and understood the following guidelines/rules/ and norms of Sainik School Sambalpur and I shall abide by them.

(a) **Homework**. Cadets will submit their homework/ records/ project work/ assignment/ in time. Not doing so will result in withdrawal of the cadets on grounds of "Poor Academic Performance" (Rule 3.37 of SSS Rules & Regulations)

(b) **Exams Compulsory**. Cadets will not skip any test/ exam under any pretext. If they do so, they will be awarded zero in that particular test/ exam. No retest will be conducted except on medical grounds or absence with prior approval.

(c) **Promotion & Scholarship Criteria**. Promotion as per CBSE norms. Award/retention of Scholarship will be as per the Sainik Schools Society Rules and Regulations.

In addition, performing poorly in any test of Std XI and XII will be treated as "Poor Academic Performance".

(d) **Criteria for representing School in outdoor competitions/ events and going on liberty**. (h) **Participation in Co Scholastic Areas**. Cadets will take part in CCA/ Literary Activity, PT, Games, Hobby Club, NCC, sports, earnestly and other school activities whenever called upon to do so. They will also not refuse any appointment-ship granted to them or any task entrusted to them.

English, improper table manners, skipping meals, wasting food, malingering, hiding illness or real cause of injury or distress, littering the area with paper or plastic etc, disrespect to elders/ seniors, disobedience of orders etc. will invite corrective drill/ PT (in the case of homework and turnout, the cadet will stop attending the corrective drill/ PT only after he has completed the task or rectified the error), Kit issue and if the violations are repeated, the cadet will be dismissed from the school for indiscipline.

(p) **Bad Traditions**. It is easy to follow incorrect, wrongful and meaningless ways in the name of “tradition” and “seniority”. Eg. Using violence (including foul language) against juniors, writing dirty graffiti on the walls and road, breaking and burning things, plunging into the swimming pool or water tank to celebrate a victory, lying to show “team spirit”, listening to loud and crude songs, running away to town in the night, smuggling banned items into the school, spraying ink on each other, wearing sandals (to Cafeteria, Games Roll Call and even Laboratory), wearing coloured/ civil clothes or being half naked in the dormitory, not tucking in T-Shirt/ Uniform, not standing in a squad, skipping PT and Drill, jumping walls and taking shortcuts, slumbering in the afternoon through the games period, keeping awake till late at night, challenging authority etc. These bad traditions are strengthened by the stories spun by a few alumni who share their “exploits” and experiences as if they were heroic. Cadets should eschew all such atrocious behaviour. On the other hand they should build good traditions by excelling in academics, sports and extra-curricular activities, doing homework, speaking in English, marching in squads, maintaining standards in drill and turnout, punctuality, table manners, being kind to juniors, being respectful to all, planting trees, doing social service, joining the NDA in large numbers etc. though these are tough act to follow.

(q) **“Seniority”**. “Seniority” should mean being a role model to the juniors, leading by example, giving knowledge and guidance, showing compassion, solving problems, willing to spare time, sacrificing own happiness, playing and having fun and “Seniority” is certainly not the power to cause physical or mental hurt to the junior cadets.

(r) **Visitors**. Cadets will entertain only authorized visitors only on specified days (mostly on Second Sundays, PTA Meeting). However, their presence in the school should not hamper any assembly/ activity the cadet is required to attend.

(s) **Vacation**. Cadets are allowed to go on vacation on the day after the last working day (after cleaning and organising their dorms/ cupboards and booking out in the House Register/ Gate Book out Register. If they are proceeding on personal leave, then a leave application from the parent is to be submitted. Only Cadets of Class IX and above are permitted to travel by themselves. Similarly the cadets are required to report back from vacation on the specified day before 2000 hours and book in at the Front Gate only (if they are late they will be fined). If they attempt to enter the campus through any other route and without following proper procedure, then it will be construed that they are trying to smuggle in a banned item and disciplinary action will be initiated. The dress code at the time of departure from and arrival back at the school will be **formals**. The dress for the roll call at 1800 hrs after arrival will be “Dinner Dress”.

(t) **Vacation Classes**. During vacation, it is mandatory for cadets, especially of Class XI and Class XII, to attend any class, camp, workshop or tour whenever organised by the school. They will not cite the excuse that they or their parents/ guardian have already made arrangements for tuition classes during vacation etc. The school also reserves the right to postpone or cancel any scheduled programme during vacation. All the cadets of a particular class will equally bear the cost of any training and the cost towards food and other charges during vacation.

(u) **Leave**. Cadets may take leave for a period not exceeding 3 days (maximum) only in the event of death of own kin or wedding of own sibling. If however, leave is unavoidable for

any other reason, a minimum of 10 days leave may be applied for. The parents/ guardian would have to decide if the leave is worth missing 10 days of classes. However, grant of leave even in extraordinary circumstances is purely at the discretion of the School authority. Loss of academics in such cases will have to be made good by the Cadet on his own, the school cannot be held responsible for the same. The parent should specifically apply for such leave, well in advance, mentioning the above responsibility clause.

(v) **Medical Treatment.** Cadets are normally treated for all minor illnesses within the school. Counselling sessions are also arranged for cadets who feel stressed or unable to focus on studies or show tendencies towards indiscipline. Treatment for dental problem, fracture etc is also organized under the arrangement of the school. Medical leave will be granted after the required investigation and with the advice of the local specialist doctor in the following cases only:-

- (i) Communicable disease like chicken pox (conjunctivitis is treated within the school)
- (ii) Major ailments like typhoid, jaundice (viral hepatitis)
- (iii) If the movement is severely restricted due to fracture (needing surgery) or other forms of injury.
- (iv) Any other case which merits a longer period of treatment/ surgery followed by/ or rest and recuperation/ convalescence.

Parents are to complete the treatment for any skin allergy/ ailment or surgical procedure for corn on the feet etc during the vacation itself. Commencing any other long drawn treatment (including dental) should be with the concurrence of the school.

5. I understand that there are rules and regulations which are to be followed by the parents/ guardians also. Parents are the primary role models for the children. Therefore, they need to be law abiding in terms of being punctual, tidy, orderly, considerate, patient and peaceful. The following are some important guidelines that I shall urge my parents/ guardian to follow:-

- (a) **Visits.** Parents/ guardian are to attend all PTMs conducted at the school. Parents/ guardian are allowed to meet their son/wards in the School only on Visitor's Day preferable on Second Sunday of the month or on any other day decided as per convenience only within the specified duration. Parents will be asked to meet the teachers post PT-I, II, III Exams.
- (b) **Parking.** Parents/ guardians are to park their vehicles (at own risk, the security of the vehicle being the owner's responsibility) in the specified place. Vehicles are not to be parked on the main Road.
- (c) **No Argument or Fight.** Parents/ guardians are not to get involved in any argument or quarrel with other parents/ guardians, cadets or staff of the Sainik School.
- (d) **Out of Bound.** Residences of Staff, Hostels, Cadets Mess and Infirmary are strictly "out of bound" for parents/ guardians. They are also not to take their son/wards outside the school limits.
- (e) **Permission to Stay.** There is no provision of staying in the school beyond 1700 hrs, whatsoever. However, the parents visiting the School in response to School's call and who are furtherly located in terms of distance and time will be permitted provided the parents guest room being available during such time at a cost as specified by the School.

- (f) **Littering**. Parents/ guardians/ guests are not to litter the campus with plastic, paper and other trash.
- (g) **Taking Shortcuts or Jumping Wall**. Since vehicles are not permitted inside the Hostel area, parents/ guardians might resort to jumping the compound wall in order to get heavy articles inside. Parents/ guardians/ guests are not expected to jump walls or take shortcuts to enter the campus or while moving from one place to another. This is setting a wrong example to their own son/wards.
- (h) **Telephone Calls**. Parents/ guardians are allowed to make phone calls to their son/wards between 1400 h and 1530 h & 2045 h to 2145 h, on all working days and 0900 h to 1700 h on holidays (excluding meal time and any important event).
- (j) **Performance Counselling**. Parents/ guardian are to meet the Class Teacher, see the answer sheets of their son/wards and sign the report card and Counselling Register during their visit (Second Saturday). The parents/ guardians are to maintain discipline and decorum while meeting the teachers. They should patiently wait for their turn. They are also not to carry on conversation with a particular teacher for more than three minutes, especially when other parents/ guardians are waiting.
- (k) **Monitoring Academic Progress**. It is the responsibility of the parents/ guardian to keep themselves abreast of the results and the performance of their son/ward. After every FA or Unit Test, the results will be posted on the website. After each Summative Test or Term Test, the school will also upload the results on the School website. The parents" will be permitted to visit the School and meet the teachers to know their ward"s performance.
- (l) **Poor performance in academics/ discipline and counselling to parents/ guardian**. Parents/ guardian will meet the Class Teacher/ House Master/ Senior Master or the School Administration whenever asked to do so (mainly for academic, disciplinary or non-payment of fee reasons). Parents/ guardian are requested to fully involve themselves in all aspects concerning to their son"/ward"s performance and be responsible for their son/ward"s growth. They will not take cover under the excuse that they had handed over their son/ward to the school and therefore they have no more role to play or that they have to travel a long distance or that they don"t have leave or that they/family members are ailing etc. The parents/ guardian will continue to be responsible for the actions/ misdemeanours of the son/ward and should actively participate in every opportunity of counselling that is given to them. Even a reason like the distance and time of travel involved, difficulty of obtaining permission for leave from the department concerned or ill health will not be entertained though it may be genuine (since it would be mandatory for either of the parents to come during counselling). If after all the efforts of the school and the parents/ guardian the cadet doesn"t show improvement/ progress, then the cadet will have to be withdrawn from the school, in accordance with the rules.
- (m) All schools call parents/ guardian to brief them on the poor academic performance or indiscipline of son/wards. The School works for the academic excellence of your son/ward. Sometimes parents/ guardian themselves do not keep the best interest of the child in mind. Parents/ guardian are requested to support the school in preparing their child. The parents/ guardian are to be involved for the following reasons also:-
- (i) To inform them about the results and to enable them to advise their son/wards to sincerely work harder.
- (ii) As a warning that if the performance continues to be poor in spite of the best efforts of teachers, their son/ward will have to be withdrawn from the School.
- (iii) Calling the parents/ guardian often spurs the student to become more serious about studies.

(iv) The growth of a child is a social responsibility-we all have a stake. The parents/ guardian cannot wash off their responsibility though they may not be living with their children.

A forum like the Parents-Teachers Committee is therefore an excellent idea as long as parents/ guardian are willing to spare their valuable time, interact with other parents/ guardians and project points which are for the benefit of the school.

(n) **Counselling Son/wards on Ragging.** Parents/ guardian are expected to counsel their son/wards on better academic performance and the evils of ragging and their dire consequences. They should ask their son/wards not to hide any instance of ill treatment by senior cadets. If the son/ward has confided in the parents, then the parents are duty bound to inform the authorities about the incident or act. Parents/ guardian of senior cadets (ie Class IX and above) must warn their son/wards not to indulge in ragging.

(o) **Counselling Son/wards on Malpractice.** At the school, malpractice in exams is not tolerated. If caught cheating or indulging in UFM (or Unfair Means), the students will be given zero in that paper. Cadets will also face expulsion from the school. So it is better to fail than to cheat and get dismissed from the school. Parents/ guardian will have to impress this on their son/ward.

(p) **Withdrawal.** I/we shall not use the School as platform to pursue careers other than the Armed Forces. The parent/ guardian should ideally take an early decision about withdrawing his/ her son/ward from the school after monitoring his progress in academics or on medical grounds etc instead of at a later stage when a bigger amount of scholarship may have to be returned to the school or before it is too late. In this regard the parents/ guardian should overcome the emotions of the son/ward who will be keen on continuing in the school due to his attachment to friends and the campus. On the other hand, parents/ guardian of promising cadets who have a bright chance of joining NDA/ Armed Forces, should give their son/ward an opportunity to appear in the requisite exams before admitting him into other professional colleges. I/we understand that premature withdrawals lead to misutilisation of government resources which are specifically to be utilised for improving induction of Sainik School Sambalpur cadets to NDA/NA. By withdrawing high performing cadets after Class X deprives many of those deserving children who otherwise would have had utilised the same resources to achieve the governments" goals. Withdrawals citing the reasons that my child wants to pursue other fields and professions are lame excuses expose misintentions. So, I/we shall avoid giving such excuses which would mislead as well as misguide the students to follow similar wrong paths in their future endeavours.

(q) **Escorting son/wards after Suspension/ Dismissal.** If the parents/ guardian don't report to the school on the specified date to take their son/ward home after suspension/ dismissal, the administration will have no choice but to send him with a school escort. The expenditure towards the travel, food and accommodation for two will be deducted from the son/ward"s account.

(r) **Sending Items by Courier/ Online Shopping.** Parents/ guardians/ friends/ acquaintances are advised not to send items by courier or order items through internet, certainly not items like the following which either goes stale (in the case of food) or can be lost in transit :-

(i) **Food.** It will be distributed among the housemates if it is already not stale.

(ii) **Medicines.** They will be handed over to the Infirmary. It can be given only after consulting doctors from the school"s panel.

Signature of Parent/Guardian

Signature of Cadet

(iii) **Electronic Items.** Parents/ guardian are not to provide mobile phones or other electronic gadgets to their son/wards. If the cadets are found to be in possession of these, the items will be confiscated (never to be returned) and the cadet will be suspended with warning. Repetition of such mistakes will lead to expulsion from the School on disciplinary grounds.

(iv) **Sports Equipment.** It will have to be handed over to the Sports Section for issue during Games Period only.

(v) **Cash and Expensive Items.** Money or expensive items are not to be kept by any cadet. The school is not responsible for their safety. On the other hand the item/ cash is liable to be confiscated. A moderate sum of money (not exceeding Rs 100/-) may be entrusted to the House Master till the need arises.

(vi) **Clothes.** Only formal wear is to be worn on holidays and birthday (jeans, baggies, cargos, Bermudas, T-Shirt etc are not permitted)

Do not send these attractive items which can be a source of temptation for the others.
Instead please send items like books, magazines, etc.

(s) **Payment of Fee.** Parents/ guardians will remit fee and dues within the stipulated time and in advance. Non-payment of fee on the pretext that his son/ward will receive scholarship is not acceptable. The scholarship amount will be adjusted only after it has been received from the Government.

(t) **Updating Personal Information.** It is the responsibility of the parents/ guardians to notify the school about any change in telephone numbers or address etc to avoid complaints later that they have not received the communiqué/ message sent by the school. Similarly any application or request for name change etc should be accompanied by proper document (gazette notification, court order etc).

(u) **Leave.** Leave can be granted-not more than one day- for the wedding of own brother or sister (the names on the wedding card will be verified with the details in the official record) or the death of a near family member.

6. If I break any of the aforementioned rules, I am prepared to accept any action which the school administration deems fit to take against me including suspension and dismissal from the school. I also undertake to acquaint myself with the regulations and orders governing and changes if any incorporated from time-to-time.
